

WHSB School Shoe Guide

All pupils wear black socks and formal black shoes. Shoes should be uniformly black leather or leather-style, the entirety of which should be able to take polish. They should not have Velcro, large logos, embellishment, patches, prominent tags, or different coloured soles or stitching. Please note that black leather trainers or 'converse' shoes, which are often marketed as School shoes, are not acceptable. Please see the examples below for your reference.

ACCEPTABLE SCHOOL SHOES

NOT ACCEPTED AS SCHOOL SHOES
